Footprint 34'-2" x 11'-4"

Living Area 399 Sq. Ft.

Built by Clayton Homes, this one-bedroom cottage is one of Simple Life's most popular designs! Featuring a well-appointed kitchen with full-sized appliances, built-in bunk beds on the main level, a stacked W/D, and an electric fireplace, this home wastes no space! Simple Life also provides several options for an open deck or covered and screened porch allowing residents to enjoy outdoor living at its finest.
