

Community Rental Restrictions Acknowledgement

To preserve the quiet, stability, and peacefulness of our community, Simple Life puts the below limits on the rental of all homes within the community. These limitations eliminate high community turn-over and support the safety of our residents.

- The minimum rental term for all homes purchased is 30 days.
- All renters and renters' guests are expected to comply with the community standards and rules as laid out in the Home Site Lease Agreement and Schedule B Rules and Regulations.
- Homeowners are responsible for ensuring their guests are aware of the community rules, and are responsible for their guests' compliance and behavior at all times.
- Any homeowner who neglects to comply with the above terms may be prohibited from renting their home in the future.

By signing below, I agree to the above-mentioned Rental Restrictions and all standards and rules of the Home Site Lease Agreement and Simple Life Communities.
