Footprint 30'-6" x 11'-4"

Living Area 399 Sq. Ft.

Built by Clayton Homes, this semi-custom one-bedroom home relocates the traditional placement of the front door from a side entry to a front entry, creating functional space on opposite facing walls in the living area. Other interior features include a large kitchen with full-sized appliances and plenty of counter space, built-in closets in the master bedroom, a stackable washer and dryer, and custom storage throughout.
