

Lifestyle Value Fee

An All-Inclusive Lifestyle Value

Some call it “cost of living”. At Simple Life we prefer “value of lifestyle”. For one affordable monthly fee, you enjoy amenities, services, activities and more. Without the cost and burden of land ownership, you keep more money in your pocket, and more time in your life to enjoy it.

Benefit #1 - More Experiences. Less Expense.

Add it up. From just \$575 to \$675 per month (varies by community) or a little more if you select a premium lot, you live in a private home that you own and enjoy a community of like-minded people who value living life over maintaining things. What new experiences will you enjoy with the money you save?

Benefit #2 - All-Inclusive.

Live an all-inclusive life in your community with exclusive access to private amenities and events – yoga/fitness classes, organized crafts/games, group outings and activities, clubhouse, pool, dog parks, trails, common green spaces, lakes, and more – all professionally managed and maintained, and included in your monthly Lifestyle Fee.

Benefit #3 - Predictable Monthly Costs.

You have better things to do than balance utility, internet, taxes and trash bills. We cover it all in your one monthly Lifestyle Fee. When fees increase, they are very modest, and you know well in advance. No surprises.

Benefit #4 - Less Maintenance. More Life.

Leave the yard maintenance to us. We take care of front and back yard upkeep plus all the common areas and community landscaping while you take care of living a healthy rewarding life.
